The A-wedding Day FREE Wedding To-Do check list is what anyone who is planning a wedding needs.

This is the first step in figuring out, how much to Budget. It lets you know how much to budget for what, and what you can do without or for what you need to find less expensive alternative.

There are probably quite a few items you do not want or need. Check only what you see as part of your wedding.

Calculate only what you expect to utilize.

If for example, you plan to have a garden, barbeque reception, you may not need to hire a caterer. Or,

If your friend knows how to decorate cakes, s/he may create your wedding cake Save bakers fees.

Make a list of people you know who can contribute their talent to your wedding. Do not be afraid to ask. Most people will feel honored to be asked.
